system: S21 - manual foam soap system

Material: Plastic

Color: White

Width: 5.2 in

Height: 10.3 in

Depth: 4.7 in

Dispenser Key #: 200260

benefit

The perfect balance between luxury and value, our Foam Soap Manual Dispensing Systems use highly concentrated, rich foam in a controlled close dispensing system. Provides nearly four times more hand washes per refill than liquid soap and up to 43% more than similar foam soaps while offering a unique, refreshing, hygienic experience. Controlled usage 0.4 ml per dose. Refill level viewing window. Low maintenance easy and quick to replace refills. Easy tape or screw mounting installation. More hand washings per refill & high capacity results in low cost-in-use - Refills reduce packaging waste, which is easier on the environment. Also Available in Black 571028A.
